

YOUR LEVEL DETERMINATION FORM
(TO DETERMINE YOUR STUDENT'S APPLICATION LEVEL)

As you may recall from having seen the Rules & Regulations for The Young Artist Division of the World Piano Competition, especially under Paragraph 10, there is a WPC Syllabus listing of required piano selections classified into 16 levels for teachers to determine the levels, styles, and pieces appropriate for performance that is normally used by the teacher to determine the degrees of difficulty, styles and pieces appropriate for performance at a certain level.

Please complete this form and fax it back to WPC as soon as possible at (513) 421-2672 or mail it to The World Piano Competition, 441 Vine Street, Suite1030, Cincinnati Ohio 45202.

We will evaluate your choices with the WPC Syllabus to determine at what level your choices appear to fit the competition requirements. Then we will send confirmation of your entry, along with the titles of the pieces, which have been approved.
